ABOUT US

The Woven Window is a woman owned custom drapery + window treatment showroom and fabricator located in Denver and services the state of Colorado. We are designers, fabricators, seamstresses, and installers working together to assure our clients have a curated experience from start to finish. We carry a large variety of textiles from brands such as Schumacher, Fabricut, Kravet, Carole, JF Fabrics, and RM COCO, just to name a few. We will meet every clients budget and aesthetic. We also offer a variety of options in roller shades, outdoor shade systems, roman shades, woven woods, shutters, and cellular shades. Our team is highly trained and educated in order to assist in choosing the right window coverings to meet any specification.

Our install team is truly some of the best in the business and work hard to provide the highest level of service in the industry.

Sustainability is important to us which is why we offer green certified options. From choosing vendors that are committed to eco friendly, non toxic, and use renewable energy sources we believe in partnering with vendors who share our values.

The Woven Window has consistently received 5 stars on Yelp. We value our clients who have helped us build our business through referrals.

BEST SELLERS

ROLLER SHADES

Fabric-like feel and crafted with design in mind, roller shades compliment any decor style. Colors, textures, patterns and opacities round out a whole-home design.

SMOOTH OPERATION

Choose the operation that is right for you. From Continuous Cord Loop, with optional SmartRelease, PrecisionLift Cordless for seamless look, or one touch Motorization. All designed with simplicity and safety in mind.

MOTORIZED ROLLER SHADES

motorization offers the ability for shades to be operated through your phone or smart home hub

LIGHT FILTERING
our light filtering roller shades let the light in while still offering a level of privacy

FROM OUR HOUSE TO YOURS

At the Woven Window, we take all the guess work out of choosing window treatments. Our designers will help you choose a look that is completely custom and tailored to your lifestyle. Our professional in-house installers meticulously hang each treatment with care, ensuring you are satisfied with the final look.

SIT BACK AND ENJOY

DRAPERY LOOKBOOK

We believe adding just the right window coverings to a room is the icing on the cake. Our team of design professionals are experts in bringing together the right textiles, color, and light capabilities to create a finished look that matches your personal aesthetic.

1.

STATIONARY

Softens a room by adding light filtering stationary panels. This look gives any space a more complete feel. This is an easy way to add your own personal touch with a pop of color or a bold texture.

2.

SOUND BARRIER

Movie night is a breeze with custom velvet drapery. Self-lining adds a layer of fullness and reduces echoing for a more enjoyable entertaining experience.

3.

FUNCTIONAL LAYERING

Layering window treatments creates a truly custom look. The mixture of textures and materials instantly elevates the feel of any room and pulls the whole design together.

MAGNATRACK

CUSTOM OPTIONS

Wide variety of screen colors and textures to choose from. 6 frame colors to compliment your homes exterior, or custom color match for a seamless look.

SELF-CORRECTING

The only self-correcting system available. Raise the screen above the pull-out point, then lower the screen again

EXTENDED LIVING

Creates a sealed in patio to enjoy all 4 season while keeping elements out and energy in. Add value to your home and your families entertainment

LINE SHEET

ROMAN SHADES

- Wide variety of fabrics
- Sheer, light-filtering, and blackout opacities
- Cordless or motorized operations
- Top down / Bottom up privacy
- Considered a luxury window covering option

ROLLER SHADES

- Our most popular product due to its clean profile
- Cordless or motorized operations
- Sheer, light filtering, and blackout opacities
- Various fabric options to fit every style
- Can be customized to align with varying budgets

SOLAR SHADES

- Protects against heat while allowing light in
- Reduces the effects of harmful UV rays
- Built for endurance with outdoor grade components
- Extremely energy efficient
- Cordless and motorized options
- Indoor or Outdoor application

ZEBRA SHADES

- Bands of darker fabric that reduce light and create shadows that change as the sun moves
- Offers a modern, sleek aesthetic with its clean linear design
- Reduces glare and heat buildup whether the bands are alternating or aligned
- Considered a luxury window covering

SHUTTERS

- Classic and timeless design
- Can be painted to match any interior color
- UV resistant, no warping, cracking, fading, chipping, peeling or discoloring
- Water resistant
- Safe option for kids and pets-no cords ever
- Great option for shaped windows

DRAPERY

- Drapery acts as a barrier against the sun's rays, preventing excess heat from entering your room
- Helps to reduce outside noise
- Provides UV protection, protecting your furniture from fading
- Drapery is available in many fabrics, colors, finishes, and trims

MAGNATRAC

- Self correcting magnetized outdoor screen
- Flexes under wind and collision
- 2 systems withstand 75MPH and CAT 5 hurricane winds
- Projection screens on white materials
- All season living
- Recessed or retrofitted applications
